

CASE STUDY

Canadian Museum of History – Nonprofit

MISSION:

To enhance Canadians' knowledge, understanding and appreciation of events, experiences, people and objects that reflect and have shaped Canada's history and identity, and also to enhance their awareness of world history and cultures

- CMH operates the Canadian Museum of History, the Canadian War Museum, and the Virtual Museum of New France. In addition to its mandate to protect and curate items of national cultural importance, the Museums function as centres for research and public information on the social, military and human history of Canada.
- The Museum had long run on a legacy ERP system which made reporting a long and highly labour intensive process.
- Processes were manual and paper-heavy, resulting in time consuming delays, inefficiencies and frustration, organization wide

BENEFITS FROM SPARKROCK:

- Reporting & Analysis – MUCH more efficient
- Better Decision Making
- Total Procurement Visibility
- Improved Staff Productivity
- Integrated Solutions
- Much More Information
